

## JOIN US FOR A2L TRAINING

Join us for a look into A2L regulations and what it means. We will discuss the leak sensor requirements and how they work within the system. Additionally we will walk through the changes with LG's new R32 equipment with a focus on wiring and start up / commissioning

Date: Tuesday May 6<sup>th</sup>

Time: 8:00 AM—12:00 PM

Location: Delta T Chelmsford MA  
10 Elizabeth Drive Unit #1 Chelmsford

Contact: Jeff Cowles

E-Mail: [jeffrey.cowles@apiofnh.com](mailto:jeffrey.cowles@apiofnh.com)

Now including new low-GWP models
